

# TOP 100 SUPPLIER LIST

# TOP 100 SUPPLIER LIST

NXP pursues mutually beneficial relationships with its suppliers and contractors, using a collaborative and consultative approach to their continued commitment to observe the applicable rules of law and to support and respect ethical business, environmental, and human-right practices. The NXP Supplier List represents 98% of procurement expenditures for materials, manufacturing, and assembly of our products worldwide for fiscal year 2020.
